Discussion Questions – Prayer of Jabez - (Enlarge My Borders)

I Chronicles 4:10 "...enlarge my coast."

- What does it mean to "enlarge our coast?"
- How would you practice "enlarging your coast?"
- Read some other translations. Now how does that verse read?
- How would you enlarge (increase, expand, magnify, extend, widen, strengthen) your coast (territory, borders)
 - At home?
 - School?
 - The world?
- What kinds of activities might enlarging our borders include?
