Discussion Questions — Noah's Ark (Older Children)

Read Genesis 6:11-8:17

- Discuss the qualities of Noah. We know he walked with God. What a companion! What would it be like to walk with God? Do we walk with God today?
- The Bible also tells us that Noah found grace in God's eyes. What does that mean?
- Describe Noah's character. What kind of a man was he?
 - Would you want to be like Noah? Why or why not?
 - What do you like best about Noah?
- If God asked you to build a boat four and a half football fields long in the desert, what would you say?
- How would you handle the heckling of people who thought it was a pretty dumb idea to build such a huge boat in the desert?
- Could you stay with a task God gave you if people made fun of you?
- Look at the materials and dimensions of the ark.
- Calculate how long it would take you to build the ark if you were working alone?
- What made the ark waterproof?
- What didn't God give Noah? (see [Healing Messages](#))
- Why do you think God omitted this item?
- Do you let God steer your life? Why or why not?
- What else didn't God give Noah?
- Was Noah the only one asked to build the ark?
- Noah was probably the rocket scientist of his day. Check out Teen Time and [Dr. Claudia Alexander's article](#). Dr. Alexander is a rocket scientist. She has a launch this month to land a rocket on a comet.
- How long was Noah on the ark?
- Why did Noah stay on the ark after he knew the ground was dry?
- What's the first thing Noah does when he gets off the ark?
