

## Discussion Questions — Parable of The Unforgiving Servant

Read Matt 18:21-35

- Jesus tells this parable in response to Peter's question. What did Peter ask?
- So how often are we supposed to forgive someone?
- You think seventy times seven may be a lot, but when two sevens are used in the New Testament, it means infinity. That means we have to forgive forever. Why do you think Jesus didn't let us have a specific number?
- Retell the parable of the unforgiving servant.
  - What did he do wrong?
  - Why was it all right for him to be forgiven but not to forgive others?
  - What request is in the Lord's prayer about forgiveness?
  - Do we really want to be forgiven by God the way we may forgive others?
  - Why is forgiveness so important?
  - Who can you forgive today? (Don't forget yourself!)
