Discussion Questions – Widow and the Pot of Oil

Read II Kings 4:1-7

- Does this story remind you of another healing? (Elijah and the widow)
- What was going to happen to this woman?
- What did Elisha ask her? [one of my favorite questions in the Bible: what hast thou in the house?]
- What does that question mean?
- Have you ever had to see what you've had in the house for survival?
- What did the woman and her sons do?
- What did you learn from this story?
