

1. Trace Abram's journey in red. Start with the city of Ur.
The red line should be drawn from Ur to Haran to Shechem to Beth-el, to Egypt, to Beth-el to The Negeb, to Beth-el and to Hebron.
2. Place a small star (*) on each of the cities where Abram lived.
Cities to star: Ur; Haran; Shechem; Beth-el; Hebron
3. What's the name for the Great Sea today? Write the name of the sea on the line beneath the Great Sea. (Look on a map that shows Israel, Egypt and Iraq to help you discover the name of the sea. The ancient city of Ur would be in today's Iraq. **The Mediterranean Sea.**
4. Name the rivers shown on the map:
 - a. Nile
 - b. Tigris
 - c. Euphrates
5. Name a country on the map that's still in existence today.
The country still in existence today is Egypt. Arabia is partially correct for Saudi Arabia.
