

Trust & Supply

I Kings 17:8-16

In I Kings 17:8-16, God tells Elijah to visit the town of Zarephath. God also says that a widow and her son will house and feed Elijah. Elijah trusts God and follows the instructions. When Elijah gets into town, he finds the widow and asks for some bread and water. She explains she only has enough flour and oil for one more meal. Elijah tells her not to be afraid and to use the last of her flour and oil because God will provide more. The widow obeys and has enough ingredients to make many meals.
