Unscramble — Don't Worry

The Bible verses below are from Matthew 6:25-34 (PHILLIPS), in which Jesus tells us why we don't need to worry. Unscramble the letters in red to complete the verses.

"That is why I say to you, don't r w o y r about living— wondering what you are going to t e a or k n d i r, or what you are going to a w e r. Surely f l e i is more important than food, and the body more o p i r e t t m n than the clothes you wear. Look at the i d r s b in the sky. They never o w s nor p e a r nor store away in barns, and yet your a v n y e H e l Father feeds them. Aren't you much more a u a v l l e b to him than they are? Can any of you, however much he r i w o e s r, make himself an inch taller? And why do you worry about o l t e h s c? Consider how the wild o l s f r e w grow. They neither work nor weave, but I tell you that even o o m S l n o in all his glory was never arrayed like one of these! Now if God so clothes the flowers of the i f d l e, which are alive today and r u b t n in the stove r o m w o r t o, is he not much more likely to clothe you, you 't e l i t l- a t s i h f'? "So don't worry and don't keep saying, 'What shall we e t a, what shall we i r d n k or what shall we a w r e ?! That is what g a p s n a are always looking for; your Heavenly Father knows that you need them all. Set your heart on the n g i o d m k and his d e s g o n s o, and all these things will come to you as a matter of course."Don't y r o w r at all then about tomorrow. Tomorrow can take r a c e of itself! One day's u b r o e l t is enough for one day."
