Stories: Digging of Hezekiah's Tunnel,
Man Born Blind, Man Healed of
Disability

Passport Stamp

Draw a picture of Hezekiah's workmen digging the tunnel.

Which fact about Hezekiah's tunnel is not true?

- A. It goes from the Pool of Siloam to the Spring of Gihon
- B. It is 1700 feet long.
- C. Its main source of water is from the Sea of Galilee
- D. Workmen worked at two different ends of the tunnel at the same time.

Why did Jerusalem need a hidden water supply?

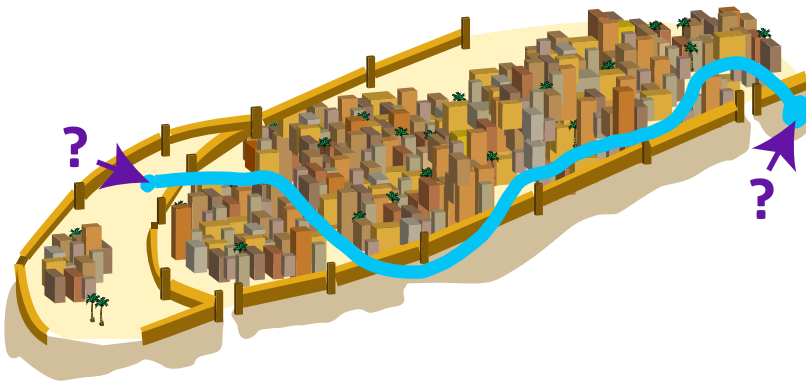

Below the City

Stories: Digging of Hezekiah's Tunnel,
Man Born Blind, Man Healed of
Disability

Passport Stamp

Name the two sources of water at the ends of Hezekiah's tunnel.

When Jesus heals the man born blind, why does he touch his eyes? Did the man do anything wrong to cause the blindness?

What is the name of the pool shown on the right? What does the name mean? Who did Jesus heal at this pool?
