

Thyatira

Stories: Women - Bad and Good

Passport Stamp

1. Lydia and Jezebel are very different women.

After Lydia discovers God, she no longer worships idols. Jezebel knows about the one true God, but she continues to worship idols and encourages others to do the same. She probably tells the people of Thyatira, "Join the guilds, attend the banquets. You don't want to be different."

What would you say to a friend who tried to get you to turn away from God and worship idols, or to "fit in" with other kids even if they are making the wrong choices?
